

Four Lakes Recreation – Rules, Regulations and Guidelines – Rev. 2023 (Gram. 2024)

The rules provided below are a condensed version of the rules and regulations that govern the Four Lakes Villages Condominium Homeowners Association. These rules are intended to serve as a quick reference for frequently asked policies. If you have specific questions, please consult a member of the management team.

Recreation ID Policy

Four Lakes residents must possess a valid Recreation ID to have access to the pools, boathouse, volleyball, fishing, disc golf, rental rooms, and all other Four Lakes Recreation Department events. To obtain an ID, please follow these steps:

Unit Owners:

Contact YOUR specific management company (whoever you pay your assessments to) and request the Recreation ID form. Driver's licenses, mortgage papers, or census forms are not valid documents to receive your Recreation ID. You Must then PRINT the form and bring it to the Recreation Office. We are open Mon-Fri 9-5 and Saturday 10-2 from Memorial Day to Labor Day. Outside of Memorial Day and Labor Day hours we are open from 8am – 4pm until the ski hill opens. Once the Ski Hill is open, an ID can be obtained from 12pm-8pm M-F and from 10a-5p Sa, Sun and Holidays. Please bring a photo ID with you. During the summer, if no one is available in the office, please go to any pool and ask for a manager if you already have the Recreation ID form.

Unit Renters:

Contact your landlord and have them request the form from their management company. Once you have received the form (must be printed out) bring it to the Recreation Office. We are open Mon-Fri 9-5 and Saturday 10-2 from Memorial Day to Labor Day. Outside of Memorial Day and Labor Day hours we are open from 8am – 4pm until the ski hill opens. Once the Ski Hill is open, an ID can be obtained from 12pm-8pm M-F and from 10a-5p Sa, Sun and Holidays. Please bring a photo ID with you. During the summer, if no one is available in the office, please go to any pool and ask for a manager if you already have the Recreation ID form.

Lakes, Fishing and Boats:

Shoreline Fishing

NO ONE IS PERMITTED TO FISH ON FOUR LAKES PROPERTY UNLESS YOU HAVE A VALID RECREATION ID OR ARE A GUEST OF A RESIDENT. THE RESIDENT MUST BE PRESENT AT ALL TIMES. STATE FISHING LICENSE IS REQUIRED PER THE ILLINOIS DNR.

Boating

Boats are available for residents of Four Lakes and their guests for no charge. Unit Owners or Renters, with a valid ID, may take out one (1) boat per resident at a time. If multiple residents, with IDs, are present, multiple boats may be taken out.

Personal Watercraft

Personal watercraft are not allowed or permitted in the lakes of Four Lakes. The only watercraft permitted on the lakes are those owned by the Master HOA.

Pool Safety, Rules and Regulations

The following are some rules/regulations provided by DuPage county and Four Lakes to minimize such incidents.

Food, beverages and smoking are permitted in designated areas away from the pool to prevent items from affecting the filter system and chemical balance. If you are unsure of where the permitted area to eat, drink, or smoke is at any pool, please ask the staff member on duty.

Glass is not permitted anywhere on the pool premises for many safety reasons. This is an absolute rule and will not be bent, broken, or changed. Please do not bring any glass with you to the pool.

No running is permitted at the pools. All patrons must walk at all times.

Flips, dives, belly flops, or any other entrance into the water that is not a "Zero Rotation, feet first entry" is not permitted. If you have a question, please feel free to ask our pool staff.

Rough housing is not permitted (chicken fights, dunking, excessive splashing, etc) because of the risk of injury to you or those around you.

When Thunder/Lightning is in the area, the entire pool, and all persons in the pool area must leave the pool for a minimum of 30 minutes. This 30-minute time frame will reset each time Thunder is heard or lightning is spotted. It is at the discretion of the manager on duty to re-open the pools.

Absolutely no coolers are allowed at any of the Four Lakes pools (exception: medical, food for small/nursing children). Any coolers must be left outside of the pool area.

Absolutely no alcohol is permitted in the pool areas. Any alcohol consumption must be done outside of the pool area. Please note, that if you are deemed too intoxicated management will ask you to leave the pool for your safety and the safety of others.

General Information

West Room and West Room Annex :

Four Lakes also has 2 different size rooms in The Ski Hill building, at the opposite end of the building from the bar, for rent. Rental prices for the West Room and Annex room can be found by calling the Recreation Office 630-963-3422. The West room and Annex are NOT available during ski season.

Contact the Recreation Department at 630-963-3422 for details concerning any recreation activity or special event.

For Snowsports related information please contact us at 630-963-3422 Memorial Day thru Labor Day and during the winter season 630-964-2550.

Summertime Reminders

Here's a quick reminder...As we all tend to enjoy our patios and balconies, always use caution when using your barbecue grill. Remember to turn the gas off if you have a gas grill. Please note that Charcoal Grills are not permitted on any balcony at Four Lakes.

We understand everyone enjoys getting together with family & friends, but please be considerate of your neighbors after 10:00 pm with music volumes. As always thank you all for making Four Lakes your place to call home.

Air Conditioner Tips

As the hot summer months arrive, and you are sure you are getting good use out of your air conditioner. Here are a few ways you can cut electricity costs during the summer.

Do not turn your air conditioner off when you leave in the morning. It will take twice as much effort for your air to cool down a hot apartment.

Pull your blinds shut during the day. This will shield heat away from your apartment.

If you are golfing at Riverbend Golf Course please remember you must show a driver's license with a Lisle address in order to get the resident discount. Your Four Lakes ID will not qualify you for the discount.

NOTICE: Open fires Four Lakes follows the guidelines set forth by the County of DuPage and the Lisle/Woodridge Fire Department.

This does not pertain to fires used for grilling in the outdoor barbecues.
